

The Word

His wisdom contemplates the Word,

His teaching expresses it,

His honor is a crown upon it,

His joy agrees with it,

His glory has exalted it,

His Image has revealed it,

His rest has received it,

His love has embodied it,

His trust has embraced it,

The Word of the Father goes forth into all,

Being the fruit of His heart and expression of His will,

It supports all,

It takes the character of all and purifies them,

The Father opens His bosom,

And His bosom is the Holy Spirit,

He reveals His hidden Self,

Which is His Son,

So that through the compassion of the Father,

The eternal beings may know Him,

One's ignorance disappears when you gain knowledge,

As darkness disappears when light appears,

By knowledge of God I purify myself,

Devouring matter within myself,

Like fire and darkness by light,
Like death by life,
Those whose names He knew first were called last,
So that the one who has knowledge,
Is one whose name the Father pronounced,
In their hearts the living book was manifested,
For it was written in the thoughts of the Father,
No one found it possible to take the book,
Since it was reserved for Him who will,
Take it and be slain,
The Compassionate, faithful Jesus was,
Patient in His suffering until He took the book,
He knew that His death meant life for many,
When a will has not yet been opened,
The fortune of the deceased master,
Of the house remains hidden,
All was hidden as long as the Father of all,
Was invisible and unique in Himself,
In whom every space has its source,
Jesus appeared and was nailed to a cross,
He affixed the edict of the Father to the cross,
He abases Himself even unto death,
Though clothed in eternal life,
The perfection of all is in the Father,

So it is necessary for all to ascend to Him,
This is the gospel of Him whom they seek,
Which He has revealed to the perfect,
Through the mercies of the Father,
As the hidden mystery, Jesus is the Anointed,
He found me in Himself,
And I found Him in myself,
That perfect Father who made all,
In whom the realm of all is,
Whom the realm of all lack,
Since He retained in Himself their perfection,
Which He had not given to all,
Alleluia,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Shepherd

Jesus is that shepherd, who left behind,
The ninety and nine sheep that had not strayed,
Went in search of that one which was lost,
He rejoiced when He found it,

Ninety nine is expressed by the right hand,
The moment He finds the one,
The whole is transferred to the right hand,
This is the symbol of the sound of numbers,
It is the Father,
He labored even on the Sabbath,
For the sheep that He found fallen in the pit,
He saved the life of that sheep,
Bringing it up from the pit,
Salvation is never idle on the Sabbath,
That heavenly day has no night,
The sun never sets because it is perfect,
For the Father is sweet and His will good,
You originate from the grace of His countenance,
Your children are perfect and worthy of Your name,
They manifest themselves truly,
In whose midst nothing is lacking,
Since they are in the true and eternal life,
And speak of the perfect light,
Filled with the seed of the Father,
Which is in Heart and in the fullness,
While His Spirit rejoices in it,
And glorifies Him in whom it was,
Because the Father is good,

O Eternal, I reach my hand towards Your head,
Which is rest for my wretched soul,
I remain there in the heights,
As though to have reached Your face,
By means of embraces,
Neither have I exalted myself,
Nor diminished the glory of the Father,
Nor thought of You as small,
But as absolutely perfect and sweet,
Knowing all the spaces before they,
Come into existence,
All emanations from the Father are fullness,
I glorify the fullness and greatness of His name,
And the sweetness of the Father,
Because I know that the Father is absolutely good,
The Father alone gave the Son a name,
Because He alone was capable of giving Him the name,
And You alone saw Him,
The good Shepherd laid down,
His life for the sheep,
Your name, Yeshua is invisible,
For it alone is the mystery of the invisible,
Nothing happens without Your hand in it, O Lord,
Nor does anything occur without the will of the Father,

His Will is incomprehensible,
His Will is His footstep,
The Father knows the beginning of them all,
And the end is recognition of Him who is hidden,
The Father from whom beginning came forth,
And to whom all shall return,
For the glory and joy of His name,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Truth

Love truth because truth is the mouth of the Father,
His tongue is the Holy Spirit,
Whoever touches truth touches,
The mouth of the Father by the tongue,
All the spaces are His emanations,
They know that they stem from Him,
As children from a perfect man,
They know that they had not yet received form,
Nor had they yet received a name,
Every one of which the Father produces,

If they receive the form of His knowledge,
Though they are in Him,
They do not know Him,
The Father is perfect beyond perfection,
He knows every space that is within Him,
He does give a name and cause to come into being,
They are in Him, who will desire,
That they exist when He pleases,
He knows before anything is produced,
When He will produce,
Whoever has no root has no fruit,
Whoever does not exist at all will never exist,
I consider the knowledge of the Father to be the dawn,
The Son appeared informing us of the Father,
Many received the light and turned towards Him,
But material people never recognized Him,
He came in the likeness of flesh,
Nothing blocked His way,
Because what is incorruptible is irresistible,
He proclaimed the faultless Word,
Speaking what is in the heart of the Father,
Light spoke through His mouth,
His voice brought forth life,
I give you mercy and salvation

I became a path for they who went astray,
Knowledge for the ignorant,
A discovery for those who sought,
Support for those who tremble,
Purity for those who were defiled,
Lord of the world,
King of the universe,
You have given us the Spirit of strength,
Derived from the infinity and,
The sweetness of the Father,
Happy is the one who comes to himself and awakens,
Blessings on one who has,
Opened the eyes of the blind,
All was inside of Him,
That inconceivable One,
Who is better than every thought,
The gospel of truth is joy,
For they who have received from,
The Father of truth,
The grace of knowing Him,
By the power of the Word,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,

In that day shall the Lord be one,
And His name One.

Hosanna

You are what You are,
You are who You are,
This Great Name of Yours is upon me,
O Self-Begotten perfect One,
Who is never outside of me,
I see You, O You are invisible to everyone,
For who is able to comprehend You,
Now that I have known You,
I have mixed myself with the immutable,
I have armed myself with the armor of light,
I have become light,
Because of the splendid beauty of grace,
I stretch out my hands when they were folded,
I am shaped in the riches of the light,
I shall declare Your glory, truly,
O glorious name,
Who is eternally Eternal,
I honor You completely,
You are my place of rest,
You will purify me into Your immortality,

According to Your imperishable name,
So that I may live in the peace of the saints,
You who exists for ever,
Fatherly love did come forth,
To reveal the holy race of the great savior,
Jesus, who possesses the Life,
You came and crucified that which is in the law,
Glory to the King,
For You secretly prepared Yourself,
A holy body though the virgin,
In order that the saints,
May be begotten by the Holy Spirit,
You armed Your saints with,
The armor of knowledge of this truth,
With an unconquerable power of incorruptibility,
Thank You Father,
Whose name cannot be uttered,
Who came forth from the heights of perfection,
The light of the silence of providence,
And the light of the Word and truth,
Light of the incorruption,
Praise to the unrevealed mystery of Elohim,
You are truly eternal,
Then providence came forth from silence,

And the living silence of the Spirit,
You established thrones of glory,
And myriads of angels who surround them,
Powers and incorruptible glory,
Sing and give glory,
With a single voice and one accord,
The spiritual church increases,
In the light of the God of truth,
Praising and singing,
Hosanna, bless is He that comes,
In the name of the Lord,
Blessed be the Kingdom of our Father,
That comes in the name of the Lord,
Hosanna in the highest,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

King of Glory

Arise and occupy yourselves with the Torah,
That your reward may be abundant in the world to come,
I wait for Your salvation, O Lord,

Love not sleep else you come to poverty,
Open your eyes and be satisfied with bread,
I have redeemed them and,
They shall increase as they have increase,
The Lord shall go forth as a mighty man,
He shall shout aloud,
He will do mightily against His enemies,
Woe unto him that builds his house by unrighteousness,
And his chambers by injustice,
From the uttermost parts of the earth,
We have heard songs,
Glory to the righteous,
Above the voices of many waters,
The mighty breakers of the sea,
The Lord on High is mighty,
You are the Lord, You alone,
You made heaven,
The heaven of heavens with all their hosts,
The earth and all things in it,
The seas and all that is in them,
You alone preserves and sustains them all,
And the hosts of heaven worship You,
All the trees of the woods sing for joy before the Lord,
Because He comes to judge the earth,

The pastures are covered with flocks,
The valleys are covered with corn,
Lift up yourselves, O gates,
And be lifted up, O everlasting doors,
The King of Glory shall come,
Who is the King of Glory?
The Lord strong and mighty,
Who is the King of Glory?
The Lord of hosts,
He is the King of Glory,
The voice of the Lord is upon many waters,
The God of Glory thunders,
The Lord is upon many waters,
Blessed the name of the glory,
Of His Kingdom forever and ever,
You are just in all that come upon me,
Because You dealt truly but,
I have done wickedly,
Let everything that has breath,
Praise the Lord,
Praise the Lord,
O Lord our God,
How excellent is Your name in all the earth,
Do as is pleasing in Your sight,

Rabbi, You are the Son of God,
You are the King of Israel,
Blessed be the King that comes,
In the name of the Lord,
Peace on earth and glory in the highest,
Open your gates so that,
The King of Glory may come in,
Where, O death, is your sting?
Where, O hades, is your victory?
You are conquered and will be forever defeated,
The King of Glory trampled on death by His majesty,
By Your death on the cross, You were destined to receive,
The dominion of the whole earth,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Marriage Supper

Holy, Holy Lord God Almighty,
Just and true are all Your ways,
You are King of saints,
O bless God forever,

I am not worth nor fit for this glory,
O the mercy of God, I was such a great sinner,
My repentance has been genuine,
My faith accepts the promise of eternal life in my Lord,
His forgiveness towards me has been complete,
Many perish in spite of the Redeemer's,
Outstretched arms of love and mercy,
Even in the last moment of our life,
You snatch us from the jaws of eternal death,
My Eternal God, I bless You,
I am in heaven at last,
God never gives the best He has to give,
Much more is laid out for us,
The Spirit of God is the atmosphere of heaven,
His joy becomes ours on a large scale,
In Your presence is fullness of joy,
At Your right hand there are pleasures for evermore,
I want to praise God for ever,
For giving me an existence,
And still more salvation from sin,
Changing my heart and bringing me into His glory,
O how wonderfully God has provided for us,
Twelve kinds of fruits on each tree,
Ripening every month,

And the leaves never withering,
Eat of the tree of life and you shall never perish,
Wonderful,
When anyone eats of these trees,
He can never die again,
Neither grow old nor feel weary,
Death has no dominion over him,
Man never eats of the tree of life,
Until he has passed the boundaries of his earthly existence,
Alleluia! In the bosom of Abraham,
O such a freshness of love and joy bursts in my soul,
Drink of the river of life and you shall never thirst again,
Nor weary for its lack,
Because its waters shall never fail,
O praise God for such a supply,
So sweet to the taste,
How full of invigorating power,
It makes me feel the joy and glow of life,
Because it is the water of life,
Alleluia! Salvation, glory, honor,
And power unto the Lord our God,
Praise our God all His servants,
And all that fear Him, both small and great,
Alleluia! Let us be glad and rejoice,

Give honor to Him,
Because the marriage supper of the Lamb is come,
And His wife has made herself ready,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Supreme Court

Great events are about to occur,
That time and eternity have ever known,
Time has nearly arrived when our Lord,
Shall leave the mediatorial throne,
In company of all the saints and angels,
Will descend upon the earth for its judgement,
Because the cup of its iniquity is nearly full,
O we have been expecting Christ's coming for many years now,
Some have gone as far as to set dates when He would return,
None of us who have been here during the great cycles of eternity,
Know when the time would be,
The church on earth and in heaven will soon unite,
In one jubilee and celebrate great victories,
Of the cross of our Lord at the resurrection of saints,

From the days of Abel to the end of the age,
We shall receive the fullness and completion of our salvation,
The redemption of our bodies,
Blessed be the Lord our God,
My soul is in perfect rapture for His unspeakable gift,
All rise!
The honorable Ancient of Days,
The Judge of all creation,
The King of the ages,
The Most High Almighty is present and presiding,
The Angel of Justice said:
Be seated! The high court is now in session,
Behind the holy bars were twelve judges,
God the father in the middle with six,
Of the Supreme Court judges on both sides of Him,
He is the final deciding vote in every decision,
He seemed to be clothed in a white blinding light,
He has black robe on but had every color,
Of the rainbow flashing out of it,
If He moved slightly lightning bolts,
Would fly all over the room,
The judges to His right were,
Enoch the Metatron, Father Abraham,
Moses the Lawgiver, David the Psalmist,

Elijah the Tishbite and Daniel the Prophet,
On the Father's left were,
John the Baptist, Peter the Rock,
James, John, Andrew,
And Paul the Apostle,
All dressed in black judge robes with,
Stunning crowns of glory on each of their heads,
The Father held the biggest scepters and,
Many crowns were suspended over His head,
That shot lightning in every direction,
The case was read before all present,
The timing of the final judgement,
Of the day of the Lord must be decided,
Representing the Holy Defense is the Lord Yeshua,
Jesus the Messiah and Lamb of God,
Yeshua stood at the table as the Advocate General,
Of His bride on earth representing the Holy saints,
Who are still alive in their bodies,
Yeshua wore a white robe with red sleeves,
Bottom border and neck border red,
He had a small diadem of solid,
Diamonds as a crown,
He said: As the true Son of Man,
I took the death penalty for all generations of fallen man,

Including those in this harvest generation,
Through the intercession of My holy bride on earth,
There has been granted a pause by this court,
To allow the fullness of the harvest to come in,
As it is written: The Gospel of the Kingdom,
Shall be preached in all the world,
And then the end shall come,
By the authority of the prayers and intercession of the bride,
I petition the court for another measure of time for,
The end time church to finish and fulfill the promise to My people,
As it is written: None should perish but all,
Have the opportunity to hear the good news of the Gospel,
And be saved from perdition,
My faithful bridal remnant has kept the faith,
Enduring evil and continue to overcome,
The blood of the Martyrs has proven their faithfulness,
Look at China, Middle East,
Look at Africa, Indonesia,
Look at South America, the Islands of the sea,
Even America has held,
Though all hell has been thrown against her,
The facts speak for themselves,
I have the authority to request for,
Another extension of time,

The Defense petitions the court for,
Another extension of time,
In the Grace that I purchased by My Blood,
Also, I petition the court to look into,
The scrolls of the hidden counsel written,
Before the foundation of the world,
Regarding the Mysteries of,
The harvest of the end of days,
As well as in the hidden revelation of scripture,
That the tribulation beginning the Kingdom Age,
Must begin only after all of My bride that,
Have been ordained to eternal life,
Are saved and come to the knowledge of truth,
The scroll I handed to this court for,
Eternal record has this information,
The evidence confirms documents fully,
Our Holy and righteous claim,
Though many shall come to Me and be saved,
In the tribulation to come,
My Holy bride must all be prepared now,
Then came the moment of silence,
As the judges on the bench studied the scroll,
It was written in red, in the blood of Yeshua,
There was a vote,

Every judge voted in favor of the saints,
To extend another time period of grace,
Finally, the Great Judge of all the earth spoke:
On the basis of the evidence presented by the defense,
The prosecution has failed to bring a closing,
To the final days of grace on the earth,
An extension of time has been granted to the saints,
Of the overcoming bridal remnant church,
Nevertheless, the birthing pains and,
Judgments will not be stopped,
Both tares and wheat have grown and,
They are now ready to be harvested,
The birth pangs of judgement shall increase,
Those that will abide with Me in the secret place,
I will provide for and protect,
Those that do not are in more and more,
Peril with each passing day,
Though I have granted this,
The final day of the Lord has indeed come,
And the prosecution is correct,
The time of grace upon the earth is nearly over,
Warn My children, this is the midnight hour,
Watch and pray that you stand in the,
Evil day and overcome,

I am answering the prayers of My Kingdom coming to earth,
It shall come first in the fire of My holy judgement,
But it shall also come in the Great Awakening that,
I promised of revival and outpouring,
The time of My wrath is soon to engulf the earth,
But in it I will remember mercy,
Many millions of souls will be saved and,
Come to the knowledge of truth,
The angel of Justice came forward and was blindfolded,
She raised a fashionable scale in her hands above her head,
A presiding angel poured black powder in one of the bowls,
This tipped the scale all the way down,
The powder represented all the accumulated,
Sin and rebellion of all mankind, as well as,
The failures of the church in this generation,
Into the other bowl, the presiding angel poured,
White powder from a white urn,
This represented the prayers, intercessions and,
Obedience of the overcoming church in,
Past generations as well as the bridal company of our generation,
This is what allows for evil to be restrained,
The angel kept pouring and suddenly the scale began to balance out,
The scale then shifted, white bowl went down,
As the black bowl went up,

There were mighty shouts of praise and victory in the courtroom,
The Father raised His golden scepter in His left hand,
Slammed His Gavel down accompanied by thunderclaps,
And lightning flashing everywhere with,
Bursts of rainbow colors shooting through the courtroom,
He said: The time of grace shall be extended as,
Petitioned by the Messiah,
More time has been granted to finish,
The final harvest in the age of grace,
Dearly Beloved Bride of Messiah,
We must labor now while it is light,
Soon it will be night where we cannot,
Labor in the harvest field any longer,
Victory to the King,
Victory to the King,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Redemption
Glory to the Father,

Saved! Saved! Forever,
All sickness and suffering are over,
Alleluia!
His redeemed are here,
O thank God for His wonderful care,
All welcome, children of God,
Your Redeemer stands over there,
Just inside the gate at which you will enter,
Blessed be God for such a deliverance,
I was greatly afflicted before but,
I am now released from my pain and sorrow,
I was reduced to poverty and want,
Spending many days and nights alone and lonely,
My sickness was long and my suffering great,
Being alone my fears were great,
I heard a voice: Be not afraid because I Am with you,
You shall not be afraid of the terror by night,
I will trust and be not afraid,
Because the Lord Jehovah is my strength and my song,
How wonderful are the works of God,
I am lost in admiration and wonder,
My admiration will never come to an end,
The Archangel will give a shout of victory,
And the trumpet of God will be blown,

The power of God will awaken and revive our bodies,
We will be forever in the perfect Image of Jesus,
And our redemption will be complete,
O how wonderful is the plan of our redemption,
This is the hope and expectation of all the church,
Let all angels of God worship Him,
Thank God for His birth,
The world's redemption was connected to His birth, life and death,
A light guided them to where the world's Redeemer had been born,
Herod miserably attempted to destroy Him,
By killing all the young of those parts,
And his continued and determined wrath against Him,
Until an angel ended his life,
Jesus was left alone in his father's place of business,
Joseph had gone from home and his mother busy in the house,
A bright cloud filled the room,
God Eternal told him who He was and His mission on earth,
In the night Emmanuel was caught up in paradise,
The Father said unto Him:
You are man as well as God because,
You were born of a woman,
All power and glory shall be given into Your hands,
And You shall lay down Your life for the salvation of man,
You shall prepare and fix up mansions,

In this upper Kingdom for Your future home,
And that of all Your children because they shall be many,
The Father spoke of His death to be accomplished at Jerusalem,
How His was to be for all who believe and accept,
He showed Jesus the fullness of His love for the world,
And that His suffering and death should be,
The price of the world's redemption,
His death should be the great atonement for,
The salvation of man,
His resurrection and ascension into heaven,
Many are the things Jesus did,
If they should be written every one,
The word itself cannot contain,
The books that should be written,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Transfiguration

Moses said: At the time the hosts of Israel,
Were ready to cross the Jordan into,
The land of their inheritance,

I was very eager to go with them,
God thought it not best and,
His will is always right,
All the powers had been given into His hands,
A great day when the Lord summoned us to the earth,
I and Elijah were about the throne,
I was speaking of His tragic death,
Soon to be accomplished on the cross,
Elijah was speaking of the blessed gift,
Of the Holy Spirit to be offered to all God's children,
Michael and Jehuco brought a chariot to our side,
They said we have been called to the earth,
Michael said to Jehuco: Reduce your speed still more,
And drive the chariot past mount Nebo,
O Michael, you blessed servant of God,
We are near the land where my last earthly prayers were offered,
Where I laid aside the veil of my flesh,
My body was laid somewhere here,
I am so glad to see Nebo again,
A bright cloud suspended a little way above,
But settling down upon the mount,
It reminded me of the cloud that went,
Before us in the wilderness,
We left the chariot and went where the cloud hang,

We had the first glimpse of Him,
Who is both God and Man,
He had clothed Himself with heavenly,
Garment for the occasion,
The three disciples were kneeling near Him,
But were so overcome with the glory that they seemed asleep,
We knew that time has arrived,
When He should become the greatest sacrifice,
For the redemption of mankind,
I overshadowed Him by the manifold shadows of the law,
The Great Father spoke out of the cloud,
And His only Beloved Son, well pleasing to Him,
Our Lord spoke familiarly to me intimately acquainted,
And indeed He was My constant Friend,
He was the Angel of the Covenant and,
Was in the cloud that went before us,
He is the Light of Heaven,
When He dismissed us, the chariot drove to our side,
Michael said: Would you like to go past the cave?
I was greatly delighted,
Will you please stop a moment at its threshold?
No man has ever known where your body,
Was laid until this day,
The Lord directed a secret burial,

Your body was laid far back in cave that used to be here,
We touched the rocks and they came down,
They filled the entrance,
Here it has been sleeping ever since,
I bless the Lord for the promise of resurrection,
How wonderful are the dealings of God to His children,
What great things are in store for them,
Michael said: We must hurry on,
He said to the charioteer: Go past Bethlehem,
Two souls have been released which we must take with us,
We received the souls and were soaring towards the region above,
And towards the gateways of paradise,
I was once more at the throne,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Unanitosha

My soul is full of glory and praises God,
I bless God for His great salvation,
My soul is in perfect state of rapture and bliss,
We stand in the presence of the Almighty Creator,

And the gracious and passionate Redeemer,
Great and marvelous are Your works, Lord God Almighty,
Just and true are Your ways, You King of saints,
Behold I make all things new,
I will sing the song of Zion,
Eternity will never cool my love and zeal,
People are wax very wealthy and prosperous,
But I am sad to know that many,
Many have substituted earthly riches for heavenly treasures,
If they knew what is in store for the redeemed,
They would mightily bestir themselves,
Could I send them one warning message from heaven?
They would hear me, would they not?
Well, Abraham was of a different opinion,
They have Moses and the prophets,
If they would not hear them,
Neither would they hear if one was to rise from the dead,
Our inheritance is exceedingly great,
Eternity is before you and,
All the riches of the eternal city are yours forever,
O how good it is to be here,
It does seem so good to be here,
It seems indeed too good to be true,
It is impossible to conceive of,

The glory while in the flesh,
The Lord gave me a glimpse into paradise,
The glory is beyond my power to describe,
In heaven we sing some new songs,
As a mortal man, I have no power to repeat,
I have a strong desire to go and stay there forever,
To depart and be with Christ,
Indeed had I known all the bliss and,
Glory of the celestial Kingdom,
I am greatly favored of God and through,
So many revelations of His Will,
And manifestations of His power,
I was in great danger of being unduly exalted.
But God deals with us for our greatest good,
God's grace as at all times is entirely sufficient for me,
All things work together for good to them who love God,
Mungu wangu, hosanna Unanitosha,
Ancient of Days, You are so great that You give me,
Eternal appreciation of the blessedness of Your Kingdom,
Strength and beauty are in His sanctuary,
Beautiful and grand indeed,
Prepare me for the fuller enjoyment of,
The King and all of His glory,
As I pass towards the throne,

Where God Himself is seen and enjoyed,
In all His glory and majesty,
My whole soul is in raptures of delight,
I shall look upon my Savior's face,
And receive His gracious welcome,
Every will bows in sweet harmony with God,
The grand perfection in heaven allows for,
An eternal progress towards the fullness of,
Our Great Father in whose image we are,
Much of our duty and labor of love,
Is for each other and ever will be,
Our good Father knows best and,
All He does is best and at the right time,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Reap

Praise God, Great Author of all love,
Praise Him all creatures here above,
Praise Him below, a mighty host,
Praise Father, Son and Holy Spirit,

What perfect satisfaction, so complete is my joy,
No danger can touch me,
But perfect confidence and trust in my soul,
In the bright and golden regions,
With its pearly gates so fair,
I will sing with the angels,
Yes, there is room for me there,
Mid the welcome song of rapture,
On the chest of the loving Savior,
You are saved, think not of the past,
What God has forgiven He remembers no more,
But I am so unworthy,
I was a lost sinner and far from God,
I have come direct from the jaws of eternal death,
The sermon I can never forget, O God blessed be the preacher,
His words went to my heart,
O how Jesus revealed Himself and gave me rest,
You are safe, safe at home,
Is it time to seek the Lord?
They that seek Me early shall find Me,
Is it time to seek the Lord?
Remember Your Creator in the days of your youth,
Is it time to seek the Lord?
I have passed many open doors of Grace already,

And the sins of my youth are multiplied,
Now is the accepted time, now is the time of salvation,
The golden opportunities of youth will return no more,
Is it time to seek the Lord?
Turn your eyes upwards and listen,
What must I do to be saved?
Repent and believe the gospel,
Come unto Me and I will give you rest,
In the day that you seek me with all your heart,
I will be found of you,
Sow yourself in righteousness, reap in mercy,
Break up your fallow ground because,
It is time to seek the Lord,
Till He come and rain righteousness upon you,
You have ploughed wickedness and you have reaped iniquity,
You have eaten the fruits of lies because,
You trust in your ways,
I hate every sin of the past and I love God,
I am His forever, Alleluia! To Jesus,
I am in heaven, thank God for His everlasting mercy,
Pay good heed to all your opportunities,
Because much is before you,
O heaven, You are mine,
I am purified from all my sins, God will accept me,

Indeed our rest will be sweet among the bowers of heaven,
And the glories of the eternal city,
The glory of God shall be upon me,
The millennial Sabbath is almost dawn,
When the Lord shall return to earth with all His saints
I was poor in the world but I have everything here,
Everything I see is mine,
God has lifted you from the dust and dung hill,
And made you a prince among His saints,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.

Who You Are

How thankful I am for our blessed Redeemer,
Without Him I would be lost and never enter the celestial world,
Alleluia to God, victory to the Lamb,
Glory to God in the highest,
The cup of my joy is full,
How refreshed I feel drinking to my heart's contentment,
O heaven indeed, how precious that promise,

We say goodbye in heaven assured to meet again,
God's blessing guide you all the way,
How much is wrapped up in God's love for man,
Why do men put little value on revelation of eternal delight?
David said: I used to hide in the caves and mountains,
Fleeing from Saul, my persecutor,
I looked but in vain hoping that Saul might come in a chariot,
I never met him nor heard any word concerning his presence,
Within the gates of paradise,
Poor Saul, he rejected God and denied obedience to Him,
And the penalty must be paid in full,
O God, remove my stony heart like unto Pharaoh's and,
Give me a fleshy heart like unto David,
The sweet singer of Israel,
Make me sing endless songs unto You,
All I want is You,
To be in Your presence forever,
It matters not what is in the past,
What matters is who You are,
It matters not what I have suffered,
What matters is who You are,
It matters not how many sins I committed,
What matters is who You are,
It matters not if I have to face the sting of death,

What matters is who You are,
Embrace me with Your everlasting arms,
Thrust my enemies asunder and I will say destroy,
Your outstretched arms on the cross,
Proves how much You love me,
What matters is who You are,
All I want is You,
To be in Your holy presence forever,
Cast away my iniquities from mind,
And bring them no more into remembrance and I will say amen,
Remove the veil of the blinded sinner,
Cast away his stumbling block and he will say glory in the highest,
Our souls wait for the Lord because,
He is our only hope and shield,
Our hearts shall rejoice in Him because,
We trust in His holy name,
Let Your mercy be upon us according as we hope in You,
How blessed I am to know that I belong to Him,
I am overwhelmed by the greatness of God,
O such glorious things are in store for us,
O God Maker of all,
O Lord Jesus Redeemer and Savior,
With thanksgiving we pour out our souls to You,
Eternal praise shall be Yours forever,

Ancient Israel opened the way and went before all of us gentiles,
God prepared them a city and they looked forward,
With longing eyes towards their inheritance,
Because Abraham looked for a city which has foundations,
Whose builder and maker is God,
The Lord reigns forever and ever,
Holy, Holy, Holy is the Lord of hosts,
And the Lord shall be King over all,
In that day shall the Lord be one,
And His name One.
